Day 1
22/11/2017*

*Day 1 presentations will be held in Polish with simultaneous translation available.

**Day Moderator:**
Maciej Marusiak, Measurement Application Specialist, Emerson confirmed

**08:30–09:00**
Registration & welcoming coffee

**09:00—09:15**
Official opening ceremony

**09:15—10:15**
Session I – LNG infrastructure in Poland in view of the country’s energy policy
  • Development of the LNG infrastructure in view of the country’s energy safety
    Tomasz Kosik, General Manager, Emerson confirmed
  • New horizons – investing in LNG in Poland
    Andrzej Leonczuk, Head of LNG Development, Barter confirmed
  • ASE Group’s experience in LNG development
    Dariusz Jachowicz, Chairman, ASE confirmed

**10:15—10:30**
Coffee break

**10:30—11:30**
Session II – Current state and future of LNG infrastructure development in Poland
  • LNG terminals and infrastructure as a key element of the domestic energy safety package
    Sławomir Sieradzki, Deputy Director Development Division, Gaz-System S.A. confirmed
  • Implementing LNG as fuel in the Port of Gdynia
    Leszek Jurczyk, Infrastructure Director, Port of Gdynia confirmed
  • Regulations surrounding the FSRU implementation process in the Baltic
    Aleksandra Koska-Legieć, Ph.D. student, Uniwersytet Gdański confirmed

**11:30—12:30**
Discussion panel: LNG infrastructure development in Poland – challenges & opportunities
**Panel Moderator:**
Maciej Marusiak, Measurement Application Specialist, Emerson confirmed

Anna Chmielewska, Senior Banker, European Bank for Reconstruction and Development confirmed
Slawomir Sieradzki, Deputy Director Development Division, Gaz-System S.A. confirmed
Leszek Jurczyk, Infrastructure Director, Port of Gdynia confirmed
Boguslaw Pijanowski, Deputy Director for Development and Implementation, PIMOT confirmed

**12:30—12:45**
Coffee break

**12:45–13:45**
Session III – LNG market in Poland – rules and challenges
  • LNG as fuel in road transport – legal barriers and investment risks
    Marcin Plocharski, Indirect Channel Marketing Advisor, Shell confirmed
  • Financing LNG infrastructure – key challenges
    Anna Chmielewska, Senior Banker, European Bank for Reconstruction and Development confirmed
  • Legal aspects of LNG trading in Poland
    Robert Zajdler, Legal Adviser, Zajdler Energy confirmed

**13:45–14:45**
Lunch break

**14:45–15:45**
Discussion Panel – Development of the LNG market in Poland with LNG as a synergy catalyst for different modes of transport
**Panel Moderator:**
Jan Talaska, Head of Business Development DNV Poland, Vice-president of Det Norske Veritas Poland Sp. z o.o. confirmed

Dr inż. kpt.ż.w. Przemysław Wilczyński, Faculty of Navigation, Gdynia Maritime Academy confirmed
Marcin Piluchowski, Heavy Business Line Manager, IVECO confirmed
Piotr Ziemniak, Product Manager, Volvo Group Trucks confirmed
Krzysztof Gerowski, CEO, Remontowa LNG Systems confirmed

**15:45–16:00**
Summary and end of the first conference day

**19:00–21:00**
Networking evening
Held at the conference venue, Golden Floor Tower, Chłodna 51, Warsaw

---

Day 2
23/11/2017

**12:30—12:45**
Coffee break

**12:45–13:45**
Session III – LNG market in Poland – rules and challenges
  • LNG as fuel in road transport – legal barriers and investment risks
    Marcin Plocharski, Indirect Channel Marketing Advisor, Shell confirmed

www.polishingconference.eu
Day Moderator:
Mark Bell, General Manager, SGMF confirmed

08:30—09:00
Registration and welcoming coffee

09:00—09:15
Opening speeches

09:15—10:00
Keynote speeches – LNG market opportunities in Poland and Europe
• Securing the future – LNG as part of the European energy security package
  Maciej Ciszewski, Policy officer, European Commission DG Energy / Internal Energy Market confirmed
• LNG infrastructure – overview picture and main drivers globally and in Europe
  Tobias Rosenbaum, Managing Director, BD Gas Infrastructure Continental Europe, DNV GL confirmed

Session I – From the hub to the end user – LNG supply and distribution
10:00—11:00
• Know Your LNG Trade: Minimising the Financial Exposures in the Energy Determination of LNG
  Viktoria Nagy, Business Development Manager, SGS confirmed
• Pilot docking station - part of an LNG distribution system based on cryogenic tanks
  Krzysztof Gerowski, CEO, Remontowa LNG Systems confirmed
• LNG distribution chain along Polish coastline and main rivers
  Krzysztof Czerski, General Manager Project Development & Naval Engineering, Wärtsilä confirmed

11:00—11:15
Coffee break

11:15—11:45
Session I (cnt.) – From the hub to the end user – LNG supply and distribution
• LNG distribution infrastructure in Lithuania
  Vitalijus Trakselis, Project Manager, Klaipėdos nafta confirmed
• Small Scale LNG solutions in Norway - experience from implementation of infrastructure to end users
  Egil Rensvik, Project Manager, Network LNG Norway confirmed

11:45—12:30
Discussion panel – Cross-border cooperation – key to successful LNG promotion
Panel Moderator:
Bogdan Ołdakowski, Secretary General, Baltic Ports Organization confirmed

12:30—13:30
Lunch

13:30—15:10
Session III – LNG storage, transportation and application
• Going green - sustainable solutions available in IVECO LNG product line up today
  Clément Chandon, HEAVY LINE EMEA Gas Business Development Manager, IVECO confirmed
• LNG as a road transport fuel: European developments
  Erik Postma, Technical & Regulatory Affairs Manager, NGVA confirmed
• Compact - new generation of LNG /LCNG vehicle fueling stations – fast fill innovative concept
  Miloš Schmied, Product Manager for LNG Systems, Chart Ferox confirmed
• DNA Integrated Operations - solution for small scale LNG operations
  Jani Hautaluoma, Director Process Automation, Valmet Automation confirmed
• Fueled by LNG – new Volvo FH & FM trucks
  Piotr Werner, Logistic & Product Team Leader, Volvo Group Trucks confirmed

15:10—15:25
Concluding remarks & announcement of next year’s edition

15:25—18:25
Study Tour
• LNG practical safety workshop: exclusive demonstration of the behaviour of LNG in case of a system malfunction. Featuring the effect of initial LNG release and various extinguishing methods.
• IVECO LNG truck showcase: during the workshop, the participants will get the chance to take a closer look at IVECO’s new LNG-fueled truck!

* tbc – to be confirmed
** tba – to be announced
Side events
21/11/2017

13:30–15:30
Managing Board meeting (Polish LNG Platform)

15:30–17:00
Supervisory Board meeting (Polish LNG Platform)

18:00
Networking dinner (closed event)
