

POLISH LNG CONFERENCE 2019

Warsaw, Poland

28 November 2019

The third edition of the Polish LNG Conference comes back to Warsaw, Poland, on 28th November, 2019.

During this year's edition of the **Polish LNG Conference**, we will take a closer look at Poland's role on the regional and European LNG scene. The conference will also feature presentations by companies driving the technological evolution of the LNG industry, offering an overview of the most innovative and ground-breaking solutions the sector has to offer and sessions will cover aspects of the entire LNG industry.

The meeting will gather policymakers, technology experts, logistics professionals, port representatives and LNG suppliers from Poland and all over Europe

The conference is organized by the **Polish LNG Platform** – its aim is to promote LNG as a cleaner alternative fuel for sustainable transport, maritime, industry and household sectors in Poland.
